

CONNECTION INSTRUCTIONS TO ELECTRONIC STANDING COMMITTEES

The Legislative Council is engaged in a pilot project to evaluate the paperless delivery of legislative information to legislators. Two standing committees, the House Education Committee and the Senate State Tax and Fiscal Policy Committee have been selected to test the concept this session. Members of the public can access the electronic information delivered to committee members in Adobe PDF format using the links and entering the user id and password provided below.

**** Supported browsers: Internet Explorer, Firefox, and Google Chrome are supported on the Windows platform. Firefox is supported on the Linux platform. Firefox and Google Chrome are supported on the Mac platform.****

[House Education Committee](#)

When prompted to enter the User ID and Password, type in the following:

User ID: publicftp
Password: Ls@bills

Please be patient. Connection time may take up to ten seconds. If you receive a security warning after clicking one of the links above, please choose "ALLOW".

If you cannot access the information through the links above, follow these instructions.

1. You will need an FTP application or app for your device. (For a mobile device, consult your app store.)

Note: NOT ALL FTP APPS WILL WORK. Some tested apps include iFiles v1.9.3 for iOS 5 or greater and FtpCafe v1.6.7 and AndFTP 2.9.7 for Android.

2. Enter the information below to link to the FTP server.

Server: <ftp.iga.in.gov>
Port: 21
User ID: publicftp
Password: Ls@bills
Initial Path: wp/pdf/standing committees/

Documents included in the committee packets (except amendments) may be accessed individually at www.in.gov/legislative. Information available online before a committee meeting:

- The meeting notice.
- A copy of each bill being considered.
- The fiscal note for each bill being considered

A copy of each amendment offered in committee will be available as soon as practicable after the amendment is offered. However, paper copies of amendments can be printed from the public access computers in the hallway outside the Legislative Information Center, Room 219, State House.
